

## Fifth International Little Owl Symposium

### GENERAL INFORMATION

#### **ACCOMODATION AND MEALS**

Accommodation will be in Vic youth hostel and the organization will book it for all participants interested in the full board option (postal address: Avinguda Olímpia, 4, Vic, see map attached). Meals will also be arranged by the organization at the youth hostel or local restaurants.

For those participants interested in alternative accommodation and meals, Vic has plenty of other options (see *links section* for hotel suggestions).

#### **TRAVELLING DIRECTIONS**

For participants travelling by plane, Barcelona International Airport (El Prat) is the best option. From the airport there is a train connection to the city of Barcelona (Barcelona Sants train station, 15 minute trip) and then from there to the city of Vic (1 to 1:30 hours depending on direct or semi-direct trains. Trains run every 30'). Schedules are available in the *links section*.

Girona (Costa Brava) International Airport is closer to Vic but connection is only possible by bus and they run only two times a day.

We suggest contacting the organization to inform of the day and time of arrival in Vic (jbaucells@biodiversitat.cat or hugoframis@yahoo.com).

#### **SYMPOSIUM SCHEDULE & PROGRAMME**

The meeting will start at 16:30 on Friday the 4<sup>th</sup> 2011 at the address: Col·legi Sant Miquel dels Sants, Ronda F. Camprodon, 2, Vic with the workshop on Experimental Design and Data Analysis facilitated by Dries Van Nieuwenhuyse. On Saturday 5<sup>th</sup> the presentations will commence at 9:00 at the Roman Temple (postal address: carrer del Pare Xifré, Vic). A detailed programme will be available by the end of 2010.
